Please comment on how well the activities, readings, lectures, and assignments helped you learn in this course.	3	Like I said earlier, his guides that Dario puts out are second to none. Just please continue to do what you have been doing already.	5	Extremely High	Extremely High	15 or more hours
	5	Complimented the coursework very well.	5	Extremely High	Somewhat Low	0-1 hours
Please identify areas where this instructor could improve his/her teaching.	1	None! Dario is always looking to improve and asks our opinions on how he could do that, but there is definitely nothing to improve. His tutorials are amazingly helpful and clear.	5	Extremely High	Very High	6-7 hours
	3	I mean this when I say I cannot think of anything to improve his teaching. Please just continue what you are doing.	5	Extremely High	Extremely High	15 or more hours
	5	Nothing	5	Extremely High	Somewhat Low	0-1 hours
Please identify what you perceive to be the greatest strengths of this instructor's teaching.	1	Dario is absolutely amazing. He is very concerned about us and if we are really understanding the material and concepts. He is very organized, both in the handouts we receive each class and his explanations of the material. He provides VERY intuitive and clear explanations of very hard concepts and makes it easier for us to grasp what we are exposed to in class. If I don't understand something in Macro class, I'm 100% confident that I'll be able to understand after Dario's tutorial.	5	Extremely High	Very High	6-7 hours
	2	Dario is the best TA I ever seen!	5	Very High	Extremely High	2-3 hours
	3	Dario excels at breaking down complex material into steps that can easily be understood. Almost every time I attend Dario's recitation I come away with a much deeper understanding of the topics covered in class. Another strength is Dario's recitation notes, which are so well organized and written I cannot distinguish it from text written by actual Ph.D. economists. Finally, Dario's willingness to help outside of class goes above and beyond what is asked from him.	5	Extremely High	Extremely High	15 or more hours
	4	Clarity and exhaustive explanations	5	Extremely High	Extremely High	8-10 hours
	5	Excellent organization while balancing the breadth and width of the course very well.	5	Extremely High	Somewhat Low	0-1 hours
